**CONSENT ORDER**

**Introduction**

This Docket is now open and pending before this Commission. The South Carolina Office of Regulatory Staff, (“ORS”) is the only intervenor of record. Other than the intervention of ORS, no opposition to the relief sought by Applicant has been received. However, one contested issue remains. Namely, ORS and this Commission’s Rules and Regulations require that the Applicant have an acceptable Performance Bond in place to complete the transfer. On Friday, June 15, 2007, Applicant filed a new Application with this Commission which was assigned Docket No. 2007-234-W/S, with a component of relief which includes Applicant securing an acceptable performance bond for Sigfield Water Company, Inc. Therefore, this Docket may be subsumed into Docket No. 2007-234-W/S, because when this Commission rules in Docket No. 2007-234-W/S, the remaining issue from Docket No. 2007-107-W will be decided. Finally, this Commission named Jocelyn G. Boyd, Esquire, as Hearing Officer in Docket No. 2007-107-W and the parties request that she be continued as Hearing Officer in Docket No. 2007-234-W/S.

**Relief**

Based on the foregoing, Counsel for the parties in this matter herby consent to and request that this Commission approve this Consent Order subsuming Docket No. 2007-107-W into Docket No. 2007-234-W/S, including Jocelyn G. Boyd, Esquire’s
